

SEA PROF

“Key Elements of Shipping”, Singapore, 20 - 22 Nov 2018

Net Fees Advice including:

- 1. MCF 50% training grant for Singapore citizens and PR's**
- 2. SeaProf's Special 'Buy 2 Seats Get 1 Free' offer**

1. MCF 50% grant eligibility for the KES 'Short Course' and application process:

1. MCF training grants are only available to Singapore Citizens and Permanent Residents (PR's).
2. Application may be made by sponsoring employer companies that are registered and incorporated in Singapore.
3. Application may also be made by individuals that are not sponsored by their employers, provided those applicants are Singapore Citizens or PR's.
4. SeaProf will provide a copy of the MCF training grant application form at the same time the course fee invoice is transmitted. The form should be completed, signed by a senior executive and e-mailed back to SeaProf before the course starts.
5. SeaProf collates all of the MCF grant form data and then incorporates it into a summary form for transmission to the MCF secretariat together with a signed course attendance list to evidence at least 75% class attendance by each participant.
6. The MCF will then process the summary form for payment. Grant monies are then sent to SeaProf which, in turn, distributes the grant payments directly to sponsoring company bank accounts

Example of application of MCF 50% Training Grant as below:

Normal Course fee for 1 participant is S\$3,725.00

Course net fee after MCF rebate = S\$3,725.00 X 50% MCF Grant = S\$1,862.50

2. SeaProf's Special 'Buy 2 seats get 1 Free seat' offer:

To support the upgrading of shipping team skills, SeaProf is providing a 'Buy 2 seats get 1 seat free' offer. It works like this:

1. You register 3 of your team on the KES course.
2. Total course fees would **normally** be S\$ 3,725.00 X 3 = S\$ 11,175.00
3. Special 'Buy 2 get 1 Free' cost only S\$ 3,725.00 X 2 = S\$ 7,450.00
4. Less 50% MCF grant of \$3,725.00 = **Total net fees for 3 seats for \$3,725.00**

Normal course fees for 3 participants is S\$ 11,750.00

Course net fee after application of 'Special Offer' and MCF rebate =

S\$ 11,175.00 – S\$3,750.00 (free seat) = S\$ 7,450.00 X 50% MCF Grant = S\$ 3,750.00

Full KES course details and on-line registration are available at
